The Right Fit.....For You

The PMI-ACP® Agile Certified Practitioner Certification has a broad appeal covering multiple methodologies, including scrum, XP, lean, and kanban. Having the certification declares you as an expert in agile practices, principles and tools and techniques across agile methodologies.

Agile has become the methodology of choice among the majority of organisations.

The PMI-ACP® credential is designed for experienced agile project managers who are looking for recognition of their competence to deliver agile projects. If you have 3 + years experience, this course is perfect for you. If you have 0 - 3 years experience then you should check out our PSM™ Scrum Master Course.

Below you will find a proposed course outlines for our one day course.

Our trainer will also work with you before the course to get your input and tailor the content as needed.

"Everyone thought Andrew was great and the course really developed their skills as internal trainers."

Dearbhla Casey, HR Manager, Irish Country Meats

"We are all very happy with the training carried out last week & will definitely be in contact in the future"

Aoife O'Rourke, Key Account Manager, Tool & Plastic

"Great exercises, very relaxed and great models to explain, learning process and delivery of the information."

Jonathan Latimer, Fleet Training Instructor, City Jet

Why Choose DCM Learning

At DCM Learning we have a strong culture of working in long-term relationships with our clients. Although it's a bit of a cliché, we strongly believe that our client relationships are partnerships and that's the best way for our clients to get the best results.

Specific reasons to choose DCM:

Support: 15 full-time training consultants plus support staff (21 in total). We are large enough to be well resourced but small enough to care.

Experienced: We have many years' experience providing customised training programmes for small and large companies. Last year, we delivered onsite training with 521 companies.

Excellent Trainers: Our trainers combine professional training know-how with relevant experience in their chosen training field

Quality Assured Training: Make sure you Safeguard Your Training Investment. DCM offer courses accredited by the following national and international certification bodies.

You're in Good Company

We work with small and large companies, individuals, Government Agencies, Universities and blue chip companies such as Google, AIG, Glaxo Smith Kline, and Symantec, so you can have confidence in our ability to deliver the results you want to achieve.

Agile PMI ACP Training

COURSE OVERVIEW

The PMI-ACP® Agile Certified Practitioner Certification has a broad appeal covering multiple methodologies, including scrum, XP, lean, and kanban. Having the certification declares you as an expert in agile practices, principles and tools and techniques across agile methodologies.

Agile has become the methodology of choice among the majority of organisations.

The PMI-ACP® credential is designed for experienced agile project managers who are looking for recognition of their competence to deliver agile projects. If you have 3+ years experience, this course is perfect for you. If you have 0-3 years experience then you should check out our PSM™ Scrum Master Course.

LEARNING OUTCOMES

By the end of the course each learner will be able to:

- You will understand the principles and values of the Agile Manifesto
- Be familiar with the various Agile methodologies

The course also covers the PMI® exam application process, exam techniques, sample questions and help creating your personal study plan.

Below you will find a proposed course outline detailing all the topics covered on the training programme.

In addition, we will consult with you before the programme commences to get your input. This way we can be sure to address any specific requirements.

- Experimenting with new techniques and process ideas

Andrew Gibson

Training Associate

Andrew is a Trainer, Consultant and Executive Coach. He has acquired the knowledge and skills of successful management and knows how to impart them to others. He has worked in training and development for over 15 years, helping people and organisations of all sizes and sectors achieve their goals.

Andrew's background in Behavioural Psychology means he is best placed to understand organisational change doesn't happen overnight and isn't always easy.

Andrew has vast experience as a trainer, mediator and conflict coach and has worked with the United Nations on mediation and conflict resolution. He has extensively studied the effect of inter-cultural conflict especially in the workplace.

Some of Andrew's qualifications and affiliations include:

- Honours degree in Psychology from Nottingham Trent University (NTU)
- Member of The British Psychological Society
- Higher Diploma (H. Dip) in Conflict Resolution
- Member of the International Mediation Institute (IMI) and an IMI Certified Mediator
- Member of the IMI Appraisal Committee; the role of this committee is to manage and approve new qualifying assessment programmes

Inhouse Training, One Size Doesn't Fit All.

Does your team need training? DCM Learning has a full range of training courses and qualifications available for your team and company, in-house or off-site.

Based on your requirements, we will develop a custom-made training programme and deliver it specifically for your employees in a chosen location - giving them the exact skills and knowledge they need whilst saving on venue hire, travel, time and associated expenses.

Each daily session will be delivered onsite at a location of your choosing over a 7-hour period. We are flexible on group size, but for group sessions we would recommend a maximum of 15 people to allow for the more interactive elements of the course.

Below is an overview of our Inhouse Training Delivery and Costs:
