IT Sales Course Outline

COURSE OVERVIEW

Technology is a constant pursuit of efficiency. Therefore, the tech industry is a place of unending change. This dynamic puts renewed pressure on sellers who must remain cognisant of these changing needs. Without an understanding of today's unique challenges, sellers are unequipped to properly position their offering.

In this 1-day highly practical training course, you'll learn how to create a strategy around properly positioning the solution. We will teach your IT sales team how to go deeper in conversations with customers for a consultative approach.

TOPICS COVERED

This course will provide a tailored interactive IT Sales session for your team.

Below you will find the course outline detailing all the topics covered on the training programme.

- Improve communication to customers, either face to face or over the phone
- Developing a thorough and detailed knowledge of technical specifications
- Documenting features of employers' systems and processes
- Networking and follow-up courtesy calls
- Cold-calling to generate new business leads
- Prepare and deliver demonstrations of software
- Knowing your products - what products or services you have to offer and how to present them in an attractive way to the client
- What sets us apart from our competition?
- Demonstrating Features & Benefits

Our training courses have been designed to help your staff to enhance and build on their existing skills, boosting individual and team performance and productivity.

Our Training Methodology

Our approach to training is hands on and participatory. We know from experience that when content is engaging, people remember. We use a combination of classroom study, practical and scenario based exercises, small group discussions and role-play (when appropriate) to keep learners engaged.

Role-play

Opportunity to practise a specific work related situation to support a particular learning or skill.

Case Studies

Analyze an organization and how it benefited by implementing specific solutions.

Trainer Expertise

Our trainers combine professional training know-how with extensive experience in their own specialised field to meet your learning needs.

"The experience we've had with DCM throughout the whole process has been second to none. You've all been extremely helpful, very accommodating and pleasure to work with. We look forward to dealing with you in the future!"

Why Choose DCM

At DCM we have a strong culture of working in long-term relationships with our clients. Although it's a bit of a cliché, we strongly believe that our client relationships are partnerships and that's the best way for our clients to get the best results.

Specific reasons to choose DCM:

Support: 45 full-time training consultants plus support staff (56 in total). We are large enough to be well resourced but small enough to care.

Experienced: We have many years' experience providing customised training programmes for small and large companies. Last year, we delivered onsite training with 521 companies.

Excellent Trainers: Our trainers combine professional training know-how with relevant experience in their chosen training field

Quality Assured Training: Make sure you Safeguard Your Training Investment. DCM offer courses accredited by the following national and international certification bodies.

You're in Good Company

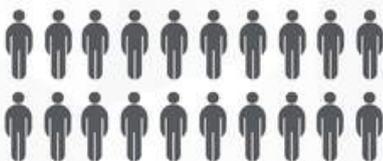

We have worked with the biggest brands in Ireland including Symantec, Dell, EA, Ericsson and Coca Cola, so you can have confidence in our ability to deliver the results you want to achieve.

Our Team of Experts

One moment of inspiration can transform your working life and change your approach for good. That is why we recruit only the most talented learning consultants, and continually monitor your feedback to make sure you're getting the quality of learning experience you deserve.

We have 45 trainers experts with years of industry and training experience dedicated to teach Business Skills, Leadership & Management.

That we delivered in-house training in 2018.

Inhouse Training, One Size Doesn't Fit All.

Does your team need training? DCM Learning has a full range of training courses and qualifications available for your team and company, in-house or off-site.

Based on your requirements, we will develop a custom-made training programme and deliver it specifically for your employees in a chosen location - giving them the exact skills and knowledge they need whilst saving on venue hire, travel, time and associated expenses.

Each daily session will be delivered onsite at a location of your choosing over a 7-hour period. We are flexible on group size, but for group sessions we would recommend a maximum of 15 people to allow for the more interactive elements of the course.
