The Right Fit.....For You

Our Intermediate MS Excel course has been designed to help learners enhance their existing skills and to expand their knowledge. If you think you know Excel, this course will show you what you've been missing.

Our one day **Intermediate MS Excel** programme will introduce new concepts for sorting data, and building conditional formulae. Learners will leave **equipped with the skills to improve their formatting, ability to organise data**, with the course highlighting key information and creating formulas/links between sheets.

This excel course is **very practical and interactive**. During the training session, each learner will work through exercises and practice using the various Excel features covered during the course.

Our Microsoft Excel courses have been **designed to be in line with the Microsoft Certified Professional courses** and our trainers are Microsoft Certified Instructors.

"Everyone thought Andrew was great and the course really developed their skills as internal trainers."

Dearbhla Casey, HR Manager, Irish Country Meats

"We are all very happy with the training carried out last week & will definitely be in contact in the future."

Aoife O'Rourke, Key Account Manager, Tool & Plastic

"Great exercises, very relaxed and great models to explain, learning process and delivery of the information."

Jonathan Latimer, Fleet Training Instructor, City Jet
