This course will provide a tailored interactive Internal Customer Service session for your team.

Below you will find the course outline detailing all the topics covered on the training programme.

- Identifying internal suppliers and customers
- Analysing service "touch points"
- Determining each employee's needs as a customer
- Determining each employee's needs as a customer
- Measuring internal service
- Building a positive attitude for internal service
- Dealing with difficult or challenging internal customers
- Turn complaints into improvements
- Eliminating blame and "That's not my job" attitudes

Our training courses have been designed to help your staff to enhance and build on their existing skills, boosting individual and team performance and productivity.

Our approach to training is hands on and participatory. We know from experience that when content is engaging, people remember. We use a combination of classroom study, practical and scenario based exercises, small group discussions and role-play (when appropriate) to keep learners engaged.

Opportunity to practise a specific work related situation to support a particular learning or skill.

We assess your development

At DCM we have a strong culture of working in long-term relationships with our clients. Although it's a bit of a cliché, we strongly believe that our client relationships are partnerships and that's the best way for our clients to get the best results.

Specific reasons to choose DCM:

Support: 45 full-time training consultants plus support staff (56 in total). We are large enough to be well resourced but small enough to care.

Experienced: We have many years' experience providing customised training programmes for small and large companies. Last year, we delivered onsite training with 521 companies.

Excellent Trainers: Our trainers combine professional training know-how with relevant experience in their chosen training field

Quality Assured Training: Make sure you Safeguard Your Training Investment. DCM offer courses accredited by the following national and international certification bodies.

You're in Good Company

We have worked with the biggest brands in Ireland including Symantec, Dell, EA, Ericsson and Coca Cola, so you can have confidence in our ability to deliver the results you want to achieve.

Inhouse Training, One Size Doesn't Fit All.

Does your team need training? DCM Learning has a full range of training courses and qualifications available for your team and company, in-house or off-site.

Based on your requirements, we will develop a custom-made training programme and deliver it specifically for your employees in a chosen location - giving them the exact skills and knowledge they need whilst saving on venue hire, travel, time and associated expenses.

Each daily session will be delivered onsite at a location of your choosing over a 7-hour period. We are flexible on group size, but for group sessions we would recommend a maximum of 15 people to allow for the more interactive elements of the course.
