## How can we use AI?

For HR and Learning & Development Team

**Generation:** Job Descriptions, Outreach emails

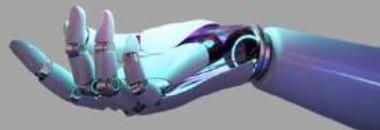

**Extraction:** Screening CV information

**Summarisation:** Creating Speaking Points for Interview

**Rewriting:** Using Layperson Terms for understanding

**Question-answering:** Creating interview questions, finding channels to communicate with potential hires, answers for challenging situations

**Classification:** Identify key words/skills for high level summary of suitability

5

## The Limitations

Watch out for this:

Lack of contextual understanding.

Not understanding the meaning or consequences of its responses.

Vulnerability to misinformation

Biases in training data: Trained on large and diverse datasets from the internet, which may contain inherent that could relate to race, gender etc

Lack of empathy and judgment

Inability to ask clarifying questions

Overconfidence

Limited creativity and originality
